

**Do your conflict of interest policies apply to students, residents, and faculty while they rotate/work at outside hospitals/clinics?**

Yes

**Do the policies also apply to private clinician offices that trainees may rotate through?**

Policies apply to both paid and affiliate faculty. There are some differences in the details of individual policies, with respect to paid and affiliate.

**Does your medical school have a conflict of interest curriculum for medical students, residents, and/or faculty? If so, please indicate to whom the curriculum is offered or required?**

Yes. The curriculum is offered to medical students and faculty involved in the Clinical Translational Research thread. Required for students and relevant faculty (as part of faculty development activities).

**Is the medical school curriculum either offered OR required for medical students, residents, and/or faculty?**

The curriculum is required for medical students, and for faculty involved in the Clinical Translational Research thread. Required for students and relevant faculty (as part of faculty development activities).

**In what form is the curriculum presented?**

Live lectures and small group sessions with faculty to student ratio 1:8.
